The above

Preparation Suggestion

Air fryer – from frozen, turn air fryer on medium heat and fan
Add calamari, but do not overfill, or poor crisping results
Leave in until golden brown turning once or twice
Deep-Fryer -turn on deep fryer and heat to 350f.
Add calamari frozen and submerge.
Cook until golden brown and remove
Drain of paper towel for 1 minute

Place on center plate with other components as is or slice and present open side facing outwards

Potential for Misuse

Do not refreeze after thawing.

Country of Origin

Canada

Genetically Manipulated Material

N/A

Complied Standard

HACCP
